## Academic interests

Broad	<b>Generative linguistics, modular approaches to linguistic theory</b>
Narrow	Allomorphy, syntax-semantics correspondences, philosophy of generative linguistics

## Work Experience

2020–	<b>Research assistant at HSE Laboratory of Formal Models in Linguistics</b> Research, organizing seminars for presenting students' research
-------	--

## Teaching experience

Spring 2024	Instructor in formal syntax for 3rd/4th year linguistics majors at HSE Linguistics Department w/ Natalia Slioussar and Alexey Starchenko
Fall 2023	Instructor in syntax for 2nd year linguistics majors at HSE Linguistics Department w/ Yury Lander and Stepan Mikhailov
Spring 2023	TA in formal semantics for 2nd and 3rd year linguistics majors at HSE Linguistics Department
Spring 2022	TA in syntax for 2nd year linguistics majors at HSE Linguistics Department
Spring 2021	TA in computer science for 1st year linguistics majors at HSE Linguistics Department

## Education

2023–	<b>MA Program in Linguistic Theory and Language Description</b> Higher School of Economics, Moscow, Russia
2019–2023	<b>BA Program in Fundamental and Computational Linguistics (GPA 8.87/10.0)</b> Higher School of Economics, Moscow, Russia
Thesis title	The role of syntactic context in modal semantics in non-standard modal expressions Summary: an argument for contextual alloosemy based on syntax of modality Supervisor: Alexander Podobryaev

## Funded projects

2024–2025	<b>How one can and cannot be silent: null elements in light of experimental data</b> Supported by Russian Scientific Foundation (# 24-28-01873) PI: Pavel Rudnev (HSE University)
2022–2024	<b>Scalarity in grammar and lexicon: a semantic-typological approach</b> Supported by Russian Scientific Foundation (# 22-18-00285) PI: Sergey Tatevosov (Lomonosov Moscow State University)
2022–2023	<b>Morphology of agreement</b> Supported by Russian Foundation for Basic Research (# 20-512-26004) PI: Svetlana Toldova (HSE University)

## Professional service

2023 – 2024	<b>Organizing a reading group on foundations of generative linguistics</b> Together with Alexey Kozlov (HSE)
Nov 2023	<b>Organizing a workshop on non-lexicalist approaches to grammar</b> As a part of 20th Conference on Typology and Grammar for Young Scholars
Fall 2022	<b>Organizing a reading group on non-generative syntactic theories</b> Together with Alexander Sergienko (HSE)

## Honors and awards

2023	<b>Grant for CreteLing summer school (300€ fee waiver)</b>
2022	<b>Honorable mention in HSE Student Research Paper Competition</b> Multiple exponence in Russian exhortatives: not what it seems
2021	<b>Honorable mention in HSE Student Research Paper Competition</b> Morphosyntax of Mehweb agreement, supervised by Pavel Rudnev

## Publications

In prep.	Deriving surface ABA phonologically: case of Terek Kumyk plural affix w/ Alexandra Shikunova (HSE)
In prep.	Post-exponence displacement and Nanai nominal morphology
In prep.	Epistemic modal adjectives in scope of past operators: experimental evidence w/ Alexandra Shikunova (HSE)
Under review.	Pseudo-ABA patterns and the generative power of Nanosyntax <i>Intended for an OUP volume on Nanosyntax</i>
Under review	Particle nature of Turkic evidential perfect in Terek Kumyk (in Russian) w/ Daria Paramonova (MSU) <i>Intended for Ural-Altaic Studies</i>
Accepted with major revisions	Multiple exponence in Russian exhortatives: not what it seems <i>Morphology</i>
To appear	Non-finite clauses and root modality: a view from Russian <i>Proceedings of ConSOLE31</i>
To appear	Revisiting Basque (xe-)comparatives <i>Proceedings of WCCFL41</i>
Accepted	ABA in Russian adjectives, subextraction, and Nanosyntax <i>Advances in Slavic Formal Linguistics 2022</i>
2023	Balkar X-marking: a change in progress <i>Proceedings of Tu+7</i>
2023	Third person sensitive accusative case allomorphy in Balkar and Kumyk <i>In S. Toldova, P. Caha, P. Rudnev (eds.) Many facets of agreement. LINCOM Europe</i>
2022	F=PL syncretism and default gender in Shughni <i>Typology of Morphosyntactic Parameters</i> , 5(2) w/ Alexander Sergienko and Artyom Badeev (HSE University)
2022	Semantic person agreement: a view from Balkar (in Russian) <i>Proceedings of Small Languages in Big Linguistics 2022</i>
2021	Egophoricity as interpretable agreement <i>Typology of Morphosyntactic Parameters</i> , 4(2)

## Invited talks

Nov 2023	<i>Atelier de phonologie research seminar (online)</i> Avoiding *ABA phonologically: case of Terek Kumyk based on joint work w/ Alexandra Shikunova (HSE)
----------	---

## Conference talks and posters

Feb 2024	<i>DGfS 46 Workshop on Attitude Decomposition (accepted but cancelled)</i>
----------	--

	Russian existential attitude <i>dopuskat'</i> , Neg-Raising, and fine structure of attitudes w/ Daria Sidorkina (HSE)
Nov 2023	<i>FDSL16</i> Russian <i>to</i> -conditionals as hanging topic constructions w/ Daria Paramonova (MSU)
Nov 2023	<i>20th Conference on Typology and Grammar for Young Scholars</i> Inferential evidentials and conjectural questions: support from Terek Kumyk w/ Daria Paramonova (MSU)
Nov 2023	<i>20th Conference on Typology and Grammar for Young Scholars</i> Morphosyntax of politeness and indexical shift: evidence from Terek Kumyk
Oct 2023	<i>Typology of Morphosyntactic Parameters 13</i> Russian <i>to</i> -conditionals as hanging topic constructions w/ Daria Paramonova (MSU)
Oct 2023	<i>Typology of Morphosyntactic Parameters 13</i> Verb <i>dopuskat'</i> , Neg-Raising, and the nature of scalar alternatives (in Russian) w/ Daria Sidorkina (HSE)
Sep 2023	<i>WOSSP 19</i> Russian <i>to</i> -conditionals as hanging topic constructions w/ Daria Paramonova (MSU)
Sep 2023	<i>WAFL 17</i> Local Dislocation for $\varphi$ -feature sensitive morpheme order in Nanai nominals
May 2023	<i>RALFE 2023</i> The place of modal ambiguity in the modular grammar
May 2023	<i>WCCFL 41</i> Revisiting Basque <i>xe</i> -comparatives: in support of structural adjacency

Nov 2021	<i>18th Conference on Typology and Grammar for Young Scholars</i> Russian <i>imenno</i> : A diachrony w/ Alexandra Konovalova, Alexey Kozlov, and Maxim Bazhukov (HSE university)
Oct 2021	<i>Typology of Morphosyntactic Parameters 11</i> Egophoricity: a set-based AGREE analysis
Sep 2021	<i>Slavic Linguistic Society 16 (SLS16)</i> Russian imperative as a counterfactual antecedent

## Additional education

2023	<i>CreteLing 2023</i> Advanced courses on phonology and semantics
2023	<i>W-NYI Winter School in Linguistics, Cognitive and Cultural Studies</i> Advanced courses on phonology and semantics
2022	<i>Winter school of HSE and KFU "Qualitative and quantitative approaches to language variation"</i> Student talk: *ABA generalizations in contemporary morphosyntax (in Russian)
2022	<i>Summer school in Logic and Formal Philosophy of LLFP HSE</i> Student talk: Linguistic arguments against Kratzer's semantics for modality (in Russian)
2022	<i>Tomsk National University's Summer School on Philosophy of Language and Logic</i> Student talk: Towards scalar semantics of quantifiers (in Russian)
2022	<i>V-NYI Summer School in Linguistics, Cognitive and Cultural Studies</i> Advanced courses on phonology and semantics
2022	<i>W-NYI Winter School in Linguistics, Cognitive and Cultural Studies</i> Advanced courses on phonology and morphosyntax
2021	<i>Summer school in Logic and Formal Philosophy of LLFP HSE</i>
2021	<i>MCCS Summer School 'Possible Worlds Metaphysics'</i>
2021	<i>W-NYI Winter School in Linguistics, Cognitive and Cultural Studies</i> Advanced courses on morphosyntax and semantics
2020	<i>Intensional semantics, HSE Laboratory of Formal Models in Linguistics</i> taught by Alexander Podobryaev and Natalia Ivlieva
2020	<i>V-NYI Summer School in Linguistics, Cognitive and Cultural Studies</i> Advanced courses on morphosyntax and semantics

## Fieldwork experience

August 2023	<b>Terek Kumyk</b> (Turkic) @ Predgornoe village As a member of the Lomonosov Moscow State University Altaic expedition Supervisors: Sergey Tatevosov, Petr Rosseyaykin
August 2022	<b>Terek Kumyk</b> (Turkic) @ Predgornoe village As a member of the Lomonosov Moscow State University Altaic expedition Supervisors: Sergey Tatevosov, Petr Rosseyaykin
August 2021	<b>Balkar</b> (Turkic) @ Verkhnyaya Balkaria village As a member of the Lomonosov Moscow State University Altaic expedition Supervisors: Sergey Tatevosov, Alexander Podobryaev
