EDUCATION

PhD in Linguistics, New York University	2024 – 2029
Advisors: TBA	New York, US
Linguistics MA, HSE University	2023 – 2024
Advisor: Pavel Rudnev	Moscow, Russia
Linguistics BA (minor in mathematics), HSE University	2019 – 2023
Advisors: Pavel Rudnev, Alexander Podobryaev	Moscow, Russia

ACADEMIC INTERESTS

Broad: linguistic theory, philosophy of linguistics and cognitive science
Narrow: restrictions on allomorphy, linearization of syntactic structure, implicature calculation

OTHER EDUCATION

Crete Summer School in Linguistics	2023
Advanced courses in phonology and semantics	
NYI School in Linguistics, Cognitive and Cultural Studies	2020 – 2024
Advanced courses in phonology, morphosyntax, and semantics	
Summer School on Possible Worlds Metaphysics	2021
Organized by Moscow Centre for Consciousness Studies	

WORK EXPERIENCE

Research Assistant — Apr 2020 – Aug 2024
HSE Lab of Formal Models in Linguistics — Moscow, Russia
- Conducted original research on morphosyntax and semantics of natural language
- Organized seminars for presenting students' research
- Organized a reading group on non-generative approaches to syntax (with A. Sergienko)
- Organized a reading group on the philosophy of generative grammar (with A. Kozlov)

Instructor in syntax — Oct 2023 - Mar 2024
School of Linguistics, HSE University — Moscow, Russia
- Intermediate level syntax class (with N. Slioussar and A. Starchenko).
- Introductory level syntax class (with Y. Lander and S. Mikhailov).

Teacher assistant — Jan 2021 - Mar 2023
School of Linguistics, HSE University — Moscow, Russia
- Introductory level formal semantics class (taught by A. Podobryaev and N. Ivlieva)
- Introductory level syntax class (taught by Y. Lander, D. Rakhman, S. Mikhailov)
- Introductory level computer science class (taught by N. Sapunov)

FUNDED PROJECTS

How one can and cannot be silent: null elements in light of experimental data	2023 - 2025
RSF #24-28-01873, PI: Pavel Rudnev (HSE)	
Scalarity in grammar and lexicon: a semantic typology approach	2022 - 2024
RSF #22-18-00285, PI: Sergei Tatevosov (MSU)	
Morphology of agreement	2022 - 2023
RFBR #20-512-26004, PI: Svetlana Toldova (HSE)
